

This is a class designed for young kids to learn how to survival float if they were to ever fall into water and no one else is around. Our trained staff wants every child to know how to self-rescue if the situation ever came to it. This class is FREE to whoever wants to participate!

When: Tues & Thurs in February (before swim lessons)

Time: 5:30-6:00pm

Who: Infants, Toddlers, Kids – anyone that wants to learn

Where: Community Center Pool

Cost: FREE

***To fully gain the benefits of this class, coming to 8 sessions is recommended.**
