SPECIAL REQUEST MEETING

Request for Utilities for Campground

City Administrator, Tara Vasicek informed board members of current status of the campground project, and that it is currently not within city limits. Vasicek presented the agreement to turn utilities on at the campground and explained the process that will take place after all parties sign said agreement.

Following discussion, Board Members Marlowe Wall moved and Mike Weskamp seconded to approve agreement, and recommend that utilities be turned on to the campground property. Board Member Mike Weskamp signed the agreement on behalf of the Board of Public Works.

Meeting Adjourned at 4:42 PM
